will be placed in the walk of

Old Library Park in Historic Wickford, R.I.

*Plum Beach
Garden Club
Est. 1927*

Kathleen Ramea
President

Judith Bitting
Brick Chairperson

Since 1997, "Buy A Brick" has been a major source of funds that enable Plum Beach Garden Club to create and maintain many beautification projects in the community.

You will receive an acknowledgement when we process your order. After your brick is engraved, it will be installed when weather allows. We will send you a notice when it is installed. Thank you for your support and patience through the process.

Plum Beach Garden Club sincerely appreciates your support.
